

# Journeying with Suzanne Aubert/Meri Hōhepa Booklet

*A wonderful collection of 35 reflections based on the writings of Venerable Suzanne Aubert/Meri Hōhepa*

While the country was at level four lockdown, the Sisters of Compassion wanted people to know that they were journeying with everyone and offering special prayers for those who asked.

To help with this, the Sisters collectively prepared a daily reflection based on the writings of Venerable Suzanne Aubert/Meri Hōhepa, who frequently wrote words of encouragement to her Sisters. Each of the reflections was accompanied by special pictures taken of scenes around the crypt in Island Bay where Suzanne lies.

Now these wonderful reflections have been compiled into a special 40-page booklet which is available to own for \$5. It is hoped that this beautiful booklet will help all those who wish to continue to Journey with Suzanne and reflect on her writings and encouragement.
